

# Quartz Tile

Durable, Easy to Clean Quartz Tile Flooring

**Altro Quartz Tile™** is a high performance, heavy-duty smooth flooring solution for the most demanding areas in a building, whether commercial, industrial, or public sector. It is suitable for heavy pedestrian traffic areas, corridors, sales floors, cafeterias, warehouse areas, and loading docks.

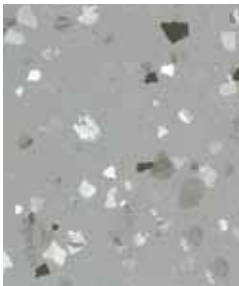

- 3,500 PSI
- Extremely durable
- Easy to install and maintain
- Homogeneous construction - color, chipping and marbling won't wear through
- PUR coating - polyurethane surface treatment with excellent cleaning characteristics
- Made from 30% pre-consumer recycled content.
- Low VOC emitting materials and may contribute to LEED points
- Does not contain phthalates; contains a small amount of a bio-plasticizer for flexibility.

**Thickness:** 0.08" (2.0mm)  
**Size of Tiles:** 24" x 24" (61cm x 61cm)  
**No. Tiles per Box:** 12 Tiles  
**Area per Box:** 48 sq. ft (4.46m<sup>2</sup>)  
**Weight per Box:** 39.33lbs (17.84kg/m<sup>2</sup>)  
**Warranty:** 15 years  
**Format:** Tile

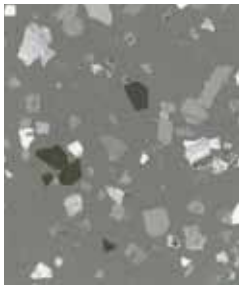

| ASTM Standard  | <i>(Tested in accordance with ASTM tests)</i> |                                 |
|----------------|---|---------------------------------|
| ASTM F 970     | Static Load Limit                             | 3500psi                         |
| ASTM C 1028    | Slip Resistance                               | D 0.50 / W 0.75                 |
| ASTM E 648     | Critical Radiant Flux                         | >1.13 w/cm <sup>2</sup> Class 1 |
| ASTM E 662     | Smoke Density                                 | <450 Pass                       |
| CAN/ULC-S102.2 | Surface Burning                               | Tested                          |
| ASTM F 1066-99 | Dimensional Stability                         | Tested                          |

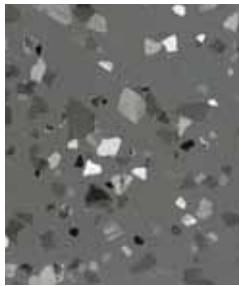

| Category                         | LEED NC&CI Credits | Description Summary                        |
