# Prime Sports™

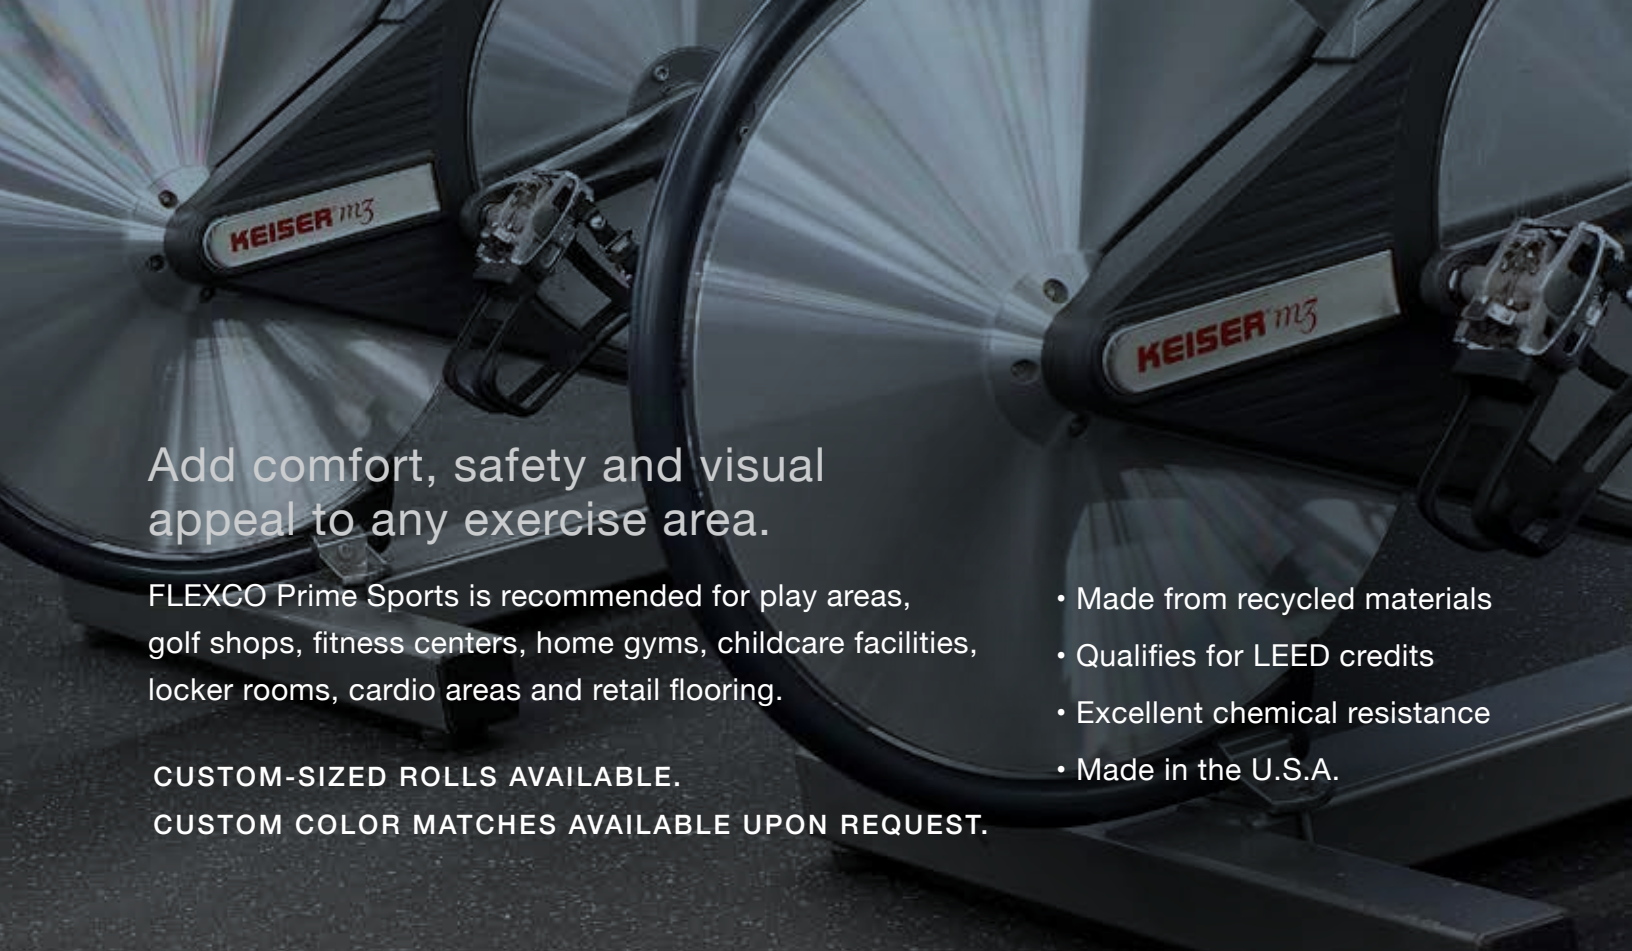

## ANTI-FATIGUE RUBBER SPORTS FLOORING

Get more from your sports floor with Prime Sports™.

FLEXCO® Prime Sports™ Flooring has the features you want with the cost-efficiency you need. From taking on tough workouts to giving walkers added comfort and providing safety features like slip resistance, Prime Sports is made from post-consumer recycled material and quality manufactured in the U.S.A.

- Coordinate with any color palette – 9 color-gradient options
- Meets most impact resistance requirements – 4 tile thickness options
- Outstanding sound and shock absorption for a more pleasant environment
- Exceptional 3-year Labor and Material Performance Warranty
- Qualifies for LEED v4/4.1 recycling credits

Add comfort, safety and visual appeal to any exercise area.

FLEXCO Prime Sports is recommended for play areas, golf shops, fitness centers, home gyms, childcare facilities, locker rooms, cardio areas and retail flooring.

**CUSTOM-SIZED ROLLS AVAILABLE.**

**CUSTOM COLOR MATCHES AVAILABLE UPON REQUEST.**

- Made from recycled materials
- Qualifies for LEED credits
- Excellent chemical resistance
- Made in the U.S.A.

Install it where you need it. How you need it.

Prime Sports can be installed indoors or outdoors and is available in rolls, square-edged tiles or interlocking tiles. Custom-sized rolls are available as well as custom-color matches. Ask your distributor for details.
